

Gift Stock to Give Rides

Contributing a gift of stock or securities is a powerful way to support BINA Farm Center with additional benefits to you.

- ☐ The market value of a gift of stock or securities is tax-deductible, just like any other charitable contribution
- ☐ Giving stock or securities has an additional tax advantage over a cash gift; you avoid capital gains tax on the appreciation of the asset.*
- ✓ You have the satisfaction of knowing you are helping to provide horse care and therapeutic rides to children and adults in need.

**Always consult with your tax advisor for specific tax information when giving securities, as certain limitations to deductions may apply.*

Contributing stock or securities is an easy and efficient way to invest in BINA Farm Center to provide outstanding Equine-Assisted Activities and Therapies to adults and children with unique cognitive, physical, emotional and social needs.
