SHERRY & PORT BY THE GLASS

DRY-STYLE BIOLOGICALLY-AGED SHERRY - Refreshing sherries that have been protected from air while being aged in barrel under a layer of yeast. Flavors vary, but generally are lightly nutty, sea-salty, briny, and sometimes smoky. ‘*En Rama*’ denotes lightly filtered. Served well-chilled.

Fino - Valdespino ‘Inocente’ 9

Fino Especial - Equipo Navazos ‘La Bota 54’ 17

DRY-STYLE OXIDATIVELY-AGED SHERRY - Robust sherries that have been exposed to air and have turned color to varying shades of brown. They smell sweet but taste dry and often display flavors of dried fruits, intense nuttiness, burnt citrus, and sweet spices. Served slightly cool.

Amontillado - Gutierrez Colosia 12

30-yr Palo Cortado - Bodegas Tradición “VORS” 30

Antique Palo Cortado - Fernando de Castilla 17

Oloroso - Gutierrez Colosia ‘Sangre y Trabajadero’ 8

Oloroso - Equipo Navazos ‘La Bota 46’ 25

SWEET-DESSERT SHERRY - Sherries made from grapes that were sun dried and made into a gently sweet or very sweet after dinner-style wine. Drink this to satisfy your sweet tooth.

Cream - Emilio Hidalgo ‘Morenita’ 7

PORT

Tawny - Quinta do Infantado 10

Late Bottle Vintage - Quinta do Infantado, 2012 12

A NOTE ABOUT OUR WINES

The next 8 pages contain our wines by the bottle. They are organized by country, and within each grouping by country they are listed in descending order from light to heavy.

Many of our selections are NATURAL WINE - as in wines made in the “nothing added, nothing taken away” philosophy. Some are certified ORGANIC or BIODYNAMIC or made without certification and considered SUSTAINABLE. We also carry CONVENTIONAL wines that respect both place & process.

The core of this list celebrates producers who farm in ways that maintain the health of their vineyards and intervene in the winemaking process only when necessary. We find they most often produce wines of ENERGY, LIFE, & VIGOR.

We embrace both imperfection and precision. Wine is love.

ORANGE/SKIN CONTACT

- Greece, Epirus -
