Fino - Valdespino 'Inocente'	9
Fino Especial - Equipo Navazos 'La Bota 54'	17

DRY-STYLE OXIDATIVELY-AGED SHERRY - Robust sherries that have been exposed to air and have turned color to varying shades of brown. They smell sweet but taste dry and often display flavors of dried fruits, intense nuttiness, burnt citrus, and sweet spices. Served slightly cool.

30-yr Palo Cortado - Bodegas Tradición "VORS"	30
Antique Palo Cortado - Fernando de Castilla	17

A NOTE ABOUT OUR WINES

The next 8 pages contain our wines by the bottle. They are organized by country, and within each grouping by country they are listed in descending order from light to heavy.

Many of our selections are NATURAL WINE - as in wines made in the “nothing added, nothing taken away” philosophy. Some are certified ORGANIC or BIODYNAMIC or made without certification and considered SUSTAINABLE. We also carry wines made from CONVENTIONALLY grown grapes that respect place & process.

The core of this list celebrates producers who farm in ways that maintain the health of their vineyards and intervene in the winemaking process only when necessary. We find they most often produce wines of ENERGY, LIFE, & VIGOR.

We embrace both imperfection and precision. Wine is love.
