

LOOKING BACK

1. What have you been thankful for this past week?
2. What has stressed or challenged you this week?
3. What has God told you through the Word? How were you obedient to the previous week's Scripture?

LOOKING UP

4. Read the Scripture out loud while everyone follows along in their Bibles.
5. Invite someone to reread the passage. Then, ask someone to retell the passage. Let the group fill in the missing details of the passage (Read, Reread, Retell, Detail).

6. Did anything in this passage capture your attention? (S.P.E.C.K.) What did you like about this passage? Did anything bother you? Why?

7. What does the passage say about God? What does the passage say about man? What does the passage say about obedience?

LOOKING FORWARD

8. **"I will..."** Ask and share "How will you obey God's teaching?" Invite each person to share what they are going to do to obey this passage over the next week.

9. **"I will share..."** Who needs to hear this? Ask each person to share who they will share the passage with this week.

10. Close in prayer.
