THINGS _ 2009

poster proposal and handlettering with ballpoint pen for the yearly fashion show of the University of Applied Arts Vienna 2008

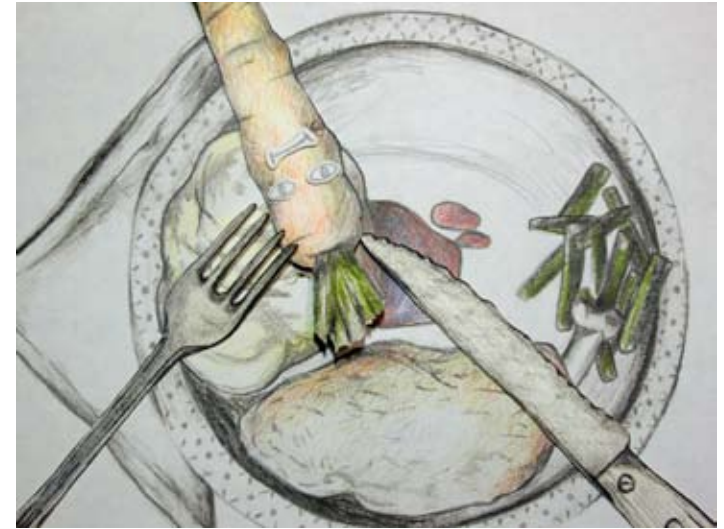

posters: *selfmade strawberry letters for a lecture called random test and an illustrated version for a lecture about book design, 2009.*

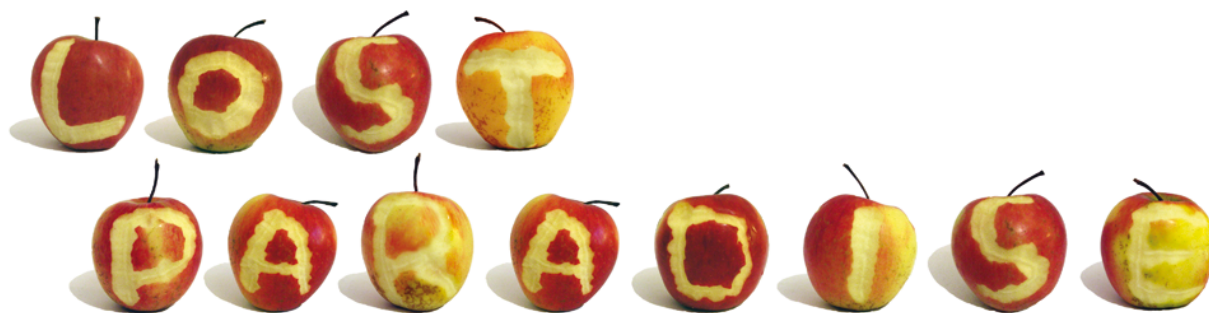

posters: two proposal for the lecture of Stefan Sagmeister at the university, 2008.

illustrations: 3 silkscreend t-shirts and 3 beer labels

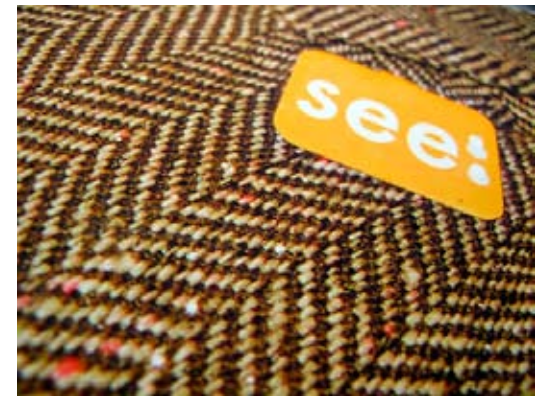

animation: *I made these puppets and kitchen stage for my short animation film called From a memoir of a carrot, 2009.*

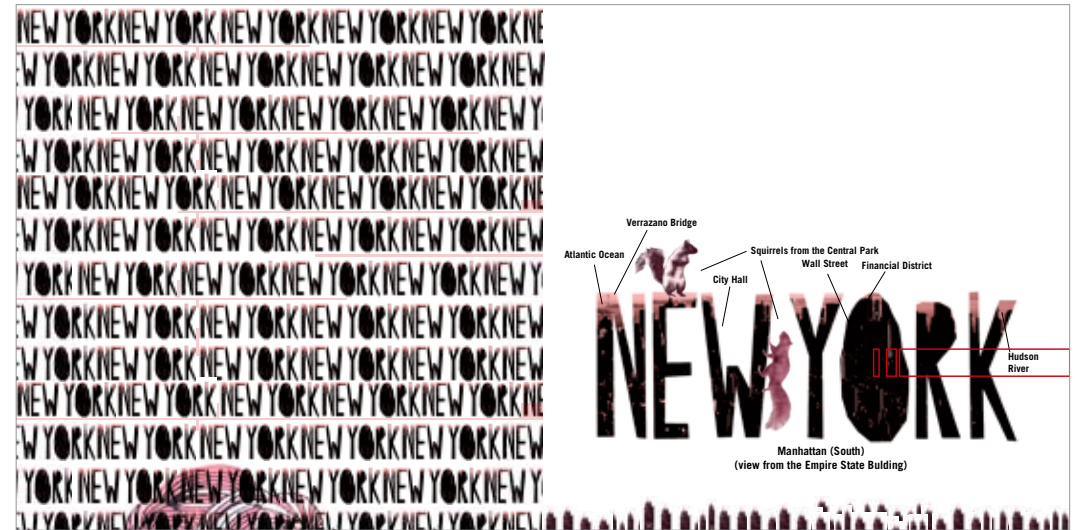

typography: *I like playing with letters*

editorial: Design and illustration for a fictional cultural magazin for young people.
This was done as part of an editorial design class at the School of Visual Arts.

book: Cookbook based on recipes from memories of mine from 5 cities.

installation: *If you open the wardrobe, a web comes out and it says: GOOD MORNING, 2009.*
