

**General Practitioner Oncology, Complex Malignant Hematology  
Night Coverage  
The Division of Medical Oncology & Hematology at Sunnybrook Health Sciences Centre,  
University of Toronto,**

The Division of Medical Oncology & Hematology at Sunnybrook Health Sciences Centre in Toronto has full-time and casual part-time job opportunities for General Practitioners in Oncology (GPOs) who enjoy the challenges and rewards of caring for this group of acutely ill cancer patients. We are seeking enthusiastic individuals, able to work independently and who liaise appropriately with the oncology multidisciplinary care team. Potential work schedules include one week on/one week off, although flexibility in scheduling will certainly be offered.

Successful candidates must be comfortable in providing comprehensive general medical care, including emergency assessments, formulation of care plans, bedside procedures, and discussions with patients and their families. Candidates must be registered for independent practice with the College of Physicians and Surgeons of Ontario (CPSO) and have a valid OHIP billing number.

**Applications will be accepted until filled.** Letters including curriculum vitae and names and addresses of three (3) referees should be sent to:

**Dr. Helen MacKay**  
**Head, Division of Medical Oncology & Hematology**  
**C/O Yvonne Rohlehr**  
**Sunnybrook Odette Cancer Centre**  
**Room T2023A, 2075 Bayview Avenue**  
**Toronto Ontario, Canada, M4N 3M5**  
**Tel: 416-480-5145. Fax: 416-480-6002**  
**E-mail: [yvonne.rohlehr@sunnybrook.ca](mailto:yvonne.rohlehr@sunnybrook.ca)**

The Sunnybrook Health Sciences Centre and the University of Toronto are strongly committed to diversity within the community, and especially welcomes applications from visible minority group members, women, Aboriginal person, persons with disabilities, members of sexual minority groups, and others who may contribute to further diversification of ideas. All qualified candidates are encouraged to apply; however, Canadians and permanent residents will be given priority.
