

On the 2nd, the same Indulgences at the Ursulines',—all by virtue of the authority and special privilege sent to the superior here for 15 years.

Many Hurons wintered here below,—20 at 3 rivers, and 20 down Here,—half of whom, or thereabout, lodged at the hospital. To assist them, we gave them, at the start, a cask of Eels, and a barrel of Indian corn; also 6 Blankets, 2 pairs of snowshoes, etc. For their Cabin, *vide Infra*. *Hurons to spend the winter.*

END OF THE YEAR 1649.

This year, at the departure of the vessels, there began an exaction of 20 sols on each passenger ticket, to be paid to the Governor's secretary; and money was taken from the fines, for salary or perquisites to the same secretary, and to other officers. *Exactions.*

This same year, the wall at Sillery was begun with the Community's funds,—that is to say, the 19,000 livres appropriated by the king for the affairs of the country. *Wall at Sillery.*

Our building also was finished as to the outside masonry, and covered; but the inside was not yet done. *Building.*

I went to Sillery in the months of november and December, on a friday, to give an exhortation; *item*, in January, february, and March. *Exhortations.*

Father bressany preached at the Church, and father Vimont taught Catechism there. *Occupations.*

Father la place was procuror and Minister there.

We rented nostre dame des Anges at the *Nostre dame des Anges.*
