Ioseph Onuhare juvenis Algonquinus et christi laudibus efface nolens, tribus diebus totidemq noctib cruciatur ann 1650 vero

### TORTURE OF THE JESUIT MARTYRS.

[Reduced facsimile of plate in *Historia Canadensis*, by Franciscus Creuxius, S. J., published by the Cramoisys at Paris, 1664. The artist has grouped, in his picture, incidents far separated in time and place. Modern portraits of several of the martyrs, are apparently based upon those given therein.]
