The American matter is in vols. vii. and viii. We have examined copies in Boston Public Library, Boston Athenæum, and Astor Library. A "Seconde édition, augmentée," already referred to as by a new editor, was published at Paris by Grimbert, in 1824-26. This appeared again, but with a changed title, and this imprint: "Bruxelles. Publié par la Société nationale, pour la propagation des bons livres, 1838." A "Troisième édition, augmentée," was issued at Paris, in eight octavo volumes, but the date we have not learned.
