

Of the 9 or 10 pieces of sawed timber, pine, etc., I made over The said pieces to meloche, for 2 carts which he is to make for me—one for wheat, and The other for general use. *

To-day, the [*blank space in MS.*] july, 1751, Niagara, the farmer of The huron mission at La pointe du montreal,¹⁹ has agreed to make, for the benefit of this mission, for The use of the animals belonging to it, 2 collars for The horses, with Their bridles; and a saddle, with the traces and other straps necessary for harnessing them to the cart, the sled, or the plow. Also 2 yokes for 2 pairs of oxen, with The necessary straps for harnessing Them; and, finally, 2 carts, one for wheat and The other for general purposes. All is to be Delivered to the said niagara's successor on The said farm, on The 1st of September next—on condition that Father de la Richardie, the superior of the said mission, gives to niagara his share of 2 bulls 2 years old, as well as of a heifer 15 months old; in consideration whereof niagara will Deliver, at the aforesaid time, all The above mentioned, in good and due condition. Done at la pointe du Montreal, this 11th of july, 1751. Armand de la Richardie, Nicolas Campeau. *

The aforesaid Nicolas Campeau, otherwise called Niagara, shall at The end of his lease return The seed which Father de la Richardie and he have Agreed upon, consisting of 15 minots of wheat, 6 of oats, and 5 of pease, less a quarter of a livre. The whole is to be taken from The share of the said niagara. He shall likewise return a new plow with new wheels, a share almost new; with all The iron work
