

Wednesday May 5th 1790 A very heavy Gale of Wind from the North still continued & rain'd almost all Night we were employed in opening & endeavouring to dry the Goods &C.

Thursday May 6th 1790 a Fine Night the Wind abated but the Swell continued high from the North in the Morning a light Breeze from the East against the Swell & a clear sunny Morning continued to dry the Goods about 10 oClock the Wind veered to the North with the Swell which ran very high all day but dry.

Friday May 7th 1790 a Sunny clear Morning with the Swell from the North & a light Breeze from the East continued to dry the Goods. Sold Morras a Velvet bound Hat 24/. a Strong North wind with the Swell in the Afternoon finished drying & pack^g the goods ready to part early with Morning

Saturday May 8th 1790 A fine clear Morning & the Wind off the Land Loaded & set off & in about an hour arrived at the River Galline²⁴ a fine entrance of about 15 Yd^s wide & running from East South East & a high Hill with pine to the West our Course on the Lake South West from here a sandy Beech to the River de Chemin where we arrived about 5 oClock a fine River about 20 yards wide running from the South West & exactly at the South West Corner of the Lake²⁵ from here the Course in a Bend nearly West We went about an hour & camped in the Bend²⁶ Moras obstreperous & disobedient.

Sunday May 9th 1790 A Wind at South West inclining from the Land loaded & set off our Course in a Bend nearly Nore West a Strong Wind from South South West but we were cover'd a little it being off the land & went with poles Arrived at Grand Calamanuck²⁷ & afterwards at Little Calamanuck the Course Nore West & from there arrived

²⁴ Modern Galien River, which reaches Lake Michigan at New Buffalo, very close to the southwestern corner of the state of Michigan.

²⁵ The Du Chemin River enters the Lake at Michigan City, Indiana.

²⁶ Not far, probably, from the site of Gary, Indiana.

²⁷ The Big Calumet River.
