

Your Lordship's memorialist having been born and bred under the British government feels it hard to be thus discarded; & is fearful (that some person must have done him ill offices with his excellency Lieu^t Gov^r Simcoe: for a faithful & concientious discharge of his duty according to the best of his abilities could not have marked him out to one entrusted to dispense the rewards of the crown as undeserving of favours which have been so liberally bestowed on others whose merits & pretensions will not be illustrated by examination.

Under these circumstances your Lordship's memorialist therefore feels it proper to appeal to that Justice & impartiality which so eminently characterises your lordship as the King's supreme representative in British America, for such portion of land for himself & family as your Lordship, in your wisdom & goodness, may think your memorialist worthy of in the province of Lower Canada: & he as in duty bound will every pray.
