

SETTLEMENT WITH VINCENNES DEBTORS

Moy¹ 12 Jan^y 1802

Dear Sir, In reply to the letter I had the pleasure to receive from you yesterday I acquaint you that Monsieur Vigo's Debts to you have been satisfied by his own Promissory Note for Eight Hundred and thirty eight Dollars and 62½ cts. payable with In^t from 24 August last to you in Detroit in May next; and by the Note of Toussaints DuBois for One thousand Doll^{rs} with In^t from same date payable to you in Detroit in May 1803. That on account of Adhemar's debts to you I have received in full of his claims on the Estate of Bosseron, Toussaints DuBois Notes for One thousand Ninety three Dollars and 35 c^{ts} payable to you in May next at Detroit which several Notes are in my possession for you. Of your and the Miamis C^{os} claim on the Estate of Paul Gamelin I wish I could say as much, but no more than 40 Dollars have as yet come to my Hands, which were applied to Costs as you shall find when I render my Gen^l Acco^{ts}. It is true I have Governor Harrison's Note for 500 D^{rs} payable next Sep^{tr} for a tract of land of that Estate I bo't in at vendue at 450 and sold to him just as I was coming away for the above sum, and that he owes me 40 Dollars for [an] acre of land he bo't, to be paid at same time. The rest of the Lands the Widow offered to you were bo't in by me for want of bidders, and will not be converted untill I return, when I presume I shall receive Instructions, to dispose of them for your advantage, the Tract in the County of Wayne exepted, to sell which I daily expect a transcript of the Records of Knox, and have with me the original grant to Paul Gamelin, to be delivered over to whomsoever shall become the purchaser. Nothing has been received from the Papers she delivered over to me. In a few instances I have obtained obligations in your name instead of the late P. G. from poor People who owed.
