

Indians Chiefs not to meet him untill the proprietors to whom they sold were satisfied. I now learn he Major Dean has neither money nor Letters of Credit and its even doubted that he is one of the Commissioners. had he come forward and even given One Thousand Dollars to each of the proprietors and required no more than making over our right in the Indian Deed and promising not to oppose his purchase of 500,000 Acres I would have accepted of it and less was not worth while but to undertake the confirmation of the Deed to us by all the Indians is another matter as being attended with much expense which sum exclusive of what I asked for our right must first be laid down by the commissioners in Order to enable us to call the Indians together. Or if they would give 6^d p^r acre in payment 10,000 Dollars yearly and lay the first payment by giving this sum to the Indians no doubt every one of them could be got by us to sign any manner of Deeds of conveyance that the Commissioners would choose to have made out.

All business to be done at York requires patience and time and though mine is not yet completed nor do I know of any other ones that is, I'm going through as well as I can and hope soon to be done. It must be an older and much keener person who is modest who can get the Officers at York to advance the business. Im sorry to observe that but too true, that I have not had strict justice done me respecting my just Claims to lands in Upper Canada and that in order to avoid condoning fraudulent Claims, the just and unjust not located at a certain period, by order of Council were all registered the mode is short and Effective though not perfectly agreeable to the English Constitution which would rather suffer many criminals to Escape than make one innocent person suffer.

I mean my Son Charles shall soon go to Michilimacinac not with anything to dispose off but to see if he can agree with some Merchant of Montreall to furnish £500 Halifax
