

Jaques Veau; that it has been continually occupied ever since this deponent purchased it by the afore-said person.

*Farm lot No. 15, west.—Alexander Guardapee.*

Entry of land made this sixteenth day of April, one thousand eight hundred and twenty-one, by Alexander Guardapee, which is described as follows, viz: it being lot number fifteen, on the west side of Fox river, which is bounded on the north by land claimed by Jaques Veau, on the south by land claimed by Catharine Cadish, and is eight chains and sixty-three links in width, and extends from Fox river, on the east, westward far enough to contain one section of land.

TESTIMONY.

Jean Bt. Grignon, being duly sworn, deposeth and saith that the above-described tract of land was cultivated twenty-five years ago this spring, and had been cultivated before that time, but cannot tell how long before; that the occupation has been continually kept up for the last twenty-five years; that the above-named Alexander Guardapee is, to the best of his knowledge, the just claimant.

*Farm lot No. 16, west.—Catharine Cadish.*

Entry of land made this sixteenth day of April, one thousand eight hundred and twenty-one, by Catharine Cadish, which is described as follows, viz: it being lot number sixteen, on the west side of Fox river, bounded on the north by land claimed by Alexander Guardapee, on the south by land claimed by Presque Hyotte, and is nine chains and seventeen links in width, and extends from Fox river on the east far enough to contain one section of land.

TESTIMONY.

Louis Dequire, being duly sworn, deposeth and saith that the above-described tract of land was occupied by François Louisignon twenty-five years ago; that several persons have been in possession of the same since that time, but cannot tell who they all were, but that said tract has been continually occupied, ever since François Louisignon first took possession of the same, by some white people.

I certify that, by common report, Louis Grignon had been many years in possession of the above-described tract of land, and it has a long time been called his farm; that said Louis Grignon, before me, relinquished his claim to the above-named Catharine Cadish, and desired that the same may be confirmed to the said Catharine Cadish.

ISAAC LEE, *Agent.*

Entry of land made this sixteenth day of April, one thousand eight hundred and twenty-one, by Presque Hyotte, which is described as follows, viz: it being lot number seventeen, on the west side of Fox river, bounded on the north by land claimed by Catharine Cadish, on the south by land claimed by the heirs of John Ecuyer, and is eighteen chains and fifty links in width, and extends from Fox river, on the east, westward far enough to contain on section of land.

TESTIMONY.

Jean Bt. Brunet, being duly sworn, deposeth and saith that the above-named Presque Hyotte has resided on the above-described premises for the last twenty-two years, and has cultivated some part of the same every year; that he, the said Hyotte, made a garden on the same place for three years previous to his building a house; that François Brunet occupied the same for a garden one year before Hyotte had possession.

*Farm lot No. 18, west.—Jurard Benjamin Jaquez, Celeste and Simon Ecuyer, donees of John Ecuyer.*

Entry of land made this sixteenth day of April, one thousand eight hundred and twenty-one, by the above-named donees of John Ecuyer, deceased, which is described as follows, viz: it being lot number eighteen, on the west side of Fox river, bounded on the north by land claimed by Presque Hyotte, on the south by lands claimed by the heirs of John Bowyer, and is twenty-chains and seventeen links in width, and extends from Fox river, on the east, westward far enough to contain one section of land.

TESTIMONY.

Pierre Charlefou, being duly sworn, deposeth and saith that Jean Bt. Brunet occupied a part of the above-described tract of land in the year one thousand seven hundred and ninety-six; that he, this deponent, occupied another part of it in one thousand seven hundred and ninety-four; that said tract was occupied by several persons whom he cannot recollect; that about fifteen years ago John Ecuyer came into the possession of it; that this deponent has been several times absent from this place since ninety-four, and does not know that said tract has been continually occupied, but when he has been present he has seen some person occupying said tract.

*Farm lot No. 19, west.—The heirs of Colonel John Bowyer.*

Entry of land made this sixteenth day of April, one thousand eight hundred and twenty-one, by the heirs of Colonel John Bowyer, which is described as follows, viz: it being lot number nineteen, on the west side of Fox river, bounded on the north by land claimed by the donees of John Ecuyer, on the south by land claimed by Peter Ulrich, and is nineteen chains in width, and extends from Fox river westward far enough to contain one section of land.
