To show how the business of this station compares with that done at other points on the road, we will not resort to bragging, which is anything else than a satisfactory mode of proving a point, but will give, side by side, some items from the above table, with items of the same character from the table, showing the entire amount shipped from the fourteen stations on the road, during the same period, by which their proportion to the total business may readily be seen:

ARTICLES.	Total Am't Shipped.	From Whitewater.	Ratio.
Bush. Wheat.....	1,184,662	322,226	1-3
Bush. Barley.....	155,280	55,257	1-3
