

Dodge's Volunteers in the Black Hawk War

WASHINGTON CITY, Jan. 20, 1851.

To the Editor of the Potosi Republican:

SIR:—As I have received a great number of letters asking the date at which particular companies were called into service of the United States, in 1832—the time for which they served—the number, designation, &c., of the Regiments I had the honor to command in the Indian War of that year, I send you a letter from the Second Auditor, containing the information wanted, and ask the favor of you to insert it in your paper, hoping it may be of service to those who performed military service in 1832, in establishing their claims for bounty lands, under the recent act of Congress.

I remain, Very respectfully,
Your obedient servant,

HENRY DODGE.
