giving a receipt, for what they could lodge in the vessel & to destroy the rest. Mr. Gautier carries a string of wampum to the Chief of Michle Island, to tell him that we are to cut down some brush this winter, in order to judge whether we can flatter him with any assurance of making use of his Island, it seems he was for it, I have ordered Mr. Gautier to exhort the Indians to good behaviour during the winter, & to tell any of them who are desirious of going to war, that an Ottawa Chief Minable and a Chipewa Chief Machiquewish with select warriors goes from this to act in concert with the Scioux's, Sac's & Rhenards against the Rebels on the Illenois & in that quarter - that their operations will be directed against Bodies of Armed Men and against Forts or strong holds by Blockade as that [those] Garrisons are dependant for their daily Bread on the Inhabitants who are wearied out of their Demands (such are the orders sent to Rocque & Calvé Interpreters by a Mr. La Croix) and that their services tending to these objects will be rewarded. I have sent several small craft into Lake Huron to bring in all the Corn &c on its banks.

I beg to inform the General that I have given a Copy of the inclosed instructions to Mr. Jean Baptiste Cadot of St. Mary's, a man who was much esteemed by Sir William Johnson & paid for several years by the Crown. He has always maintained a good character in this Country, rendered services in the Indian Commotion [of] "63," he has great influence with the Indians, & is considered by them as a great Village Orator besides. St. Mary's is a pass deserving some attention & will be more so when the General receives fuller information relative to the Grande Portage & the North West. I cannot pronounce on their design, but they have endeavoured to hide from General Carleton how easy it was to supply the Illinois & Mississippi from the South side of Lake Superior the wretched conduct of the people in that Country this years disgrace us, and may hurt the Kings Service. The Indians showed uncommon forbearance and a manly open conduct theirs the reverse.
