You will show the letters to Lieut. Grignon and send them back by my men.

The Sioux have behaved like villains as they are, they must soon suffer for their villainy.

The Sauteux behave with great moderation, but I think they will soon return & cut off the Sioux — which they deserve — The Ail Rouge is at the bottom of this & got the Sauteux killed on purpose to prevent any Siouxs coming this way. You will see the patriotism of Mr. Rollette by his letter. The flour was at Six dollars when Duncan arrived & he raised it to Ten. I must do for the best — provisions must be had at the end of our guns one way or other.

Dease has acted very improperly in not delivering the parole, to the Sauks & Renards from the puants, when he receives Orders he is not to deliberate about consequences, it is with me that the responsibility remains. They all seem to bear an inveterate hatred to the puants, tis true they are vagabonds but let the people of the prairie recollect that if the Americans are not with them the obligation is due to the Puants.

As for the Sissitons & Yanctongs they may take their own way they are of little consequense in the present state of Matters. I am sorry that Mr. Anderson makes any advances to the Tonere Rouge on Gov acc as he will not be paid.

I wish he had remained eating Beef last summer he would not have injured our cause in the manner he did.

Mr. Aird pleads hard for the Tobacco the puants stole from him but I am afraid that his demands will end in smoke. His opinion respecting the Sioux is a very just one.
