

## BIBLIOGRAPHY.

Dr. Draper wrote many newspaper articles, signed and unsigned, on historical, literary and political subjects. He was the author also of numerous addresses, appeals and leaflets, in the line of his work as a collector and as secretary of this Society. It is unnecessary fully to enumerate such ephemeral matter in the following list, although there are included therein a few items of this class, having some biographical interest.

In the matter of his unpublished works, the two only are noted which apparently were finished ready for the printer. As mentioned in the memoir (*ante*, p. 15), his re-editing of Withers's *Chronicles of Border Warfare* was perhaps one-third done; the *Life of Boone* had possibly (*ante*, p. 19) been half finished; and upon others of his contemplated works he had made some progress, although for the most part meagre and tentative.
