TO THE SECRETARY OF WAR.

INDIAN AGENCY OFFICE,

GREEN BAY, Augt. 12, 1832.

SIR,—I have the honor to acknowledge the receipt of your letter of the 19th of June, received here late in July, directing me to draw on the assistant Commissary at this Post for 8,000 Rations for the subsistence of friendly Indians seeking protection within the Agency and to report that no issues whatever have been made to Indians under this law, none having been driven within our lines for protection since its receipt. In the early part of June a very partial supply of Pork & Flour & some ammunition was issued to two Bands of the New York Indians, and issues were occasionally made to several small bands of the Winnebagoes—all of which will be regularly introduced into my accounts for Expenditures within this Agency for the quarter ending the 30th of September next, and which I trust will meet your entire approbation.

I have the Honor to be, &c.

G. B., U. S. I. A.

*To Hon. Lewis Cass, Secretary of War.*
