

TO CAPTAIN CLARK.

INDIAN AGENCY OFFICE,

GREEN BAY, Sept. 1, 1832.

DEAR SIR,—Mr. Arndt,¹ the bearer of this note to you, informed me that the Provisions taken from his Boats by Col. Stambaugh on his way with the Menomonees to the Portage, belonged to him, and not to the U. States, as I supposed when I wrote you on the subject. I must therefore request that you will order four Barrels of Flour and six Barrels of Pork to be delivered to Mr. Arndt — and that this quantity be charged to the Menomonee Expedition, under the requisition of Genl. Atkinson — and for which my receipts will be given to the company.

Very respectfully,

4 Barrels of Flour, }
6 Barrels of Pork. }

GEO. BOYD,

U. S. Ind. Agt.

To Capt. Clarke, Comd. Fort Howard, Green Bay.

TO COLONEL STAMBAUGH.

INDIAN AGENCY OFFICE,

GREEN BAY, Sept. 1, 1832.

SIR,—Your general Report of the Menomonee Expedition intrusted to your command, and dated the 28th ulto. has been received — and it gives me great pleasure to state to you that it meets my approbation, as I have no doubt it will that of the government.

There is much consolation to every friend of the poor Menomonees to find that their ready appearance in the field, in aid of the United States, against their red Brethren has been pointedly adverted to in terms of high praise,
