Rather a deficiency of seats, spoons & tumblers—but upon the whole did admirably. Shook hands aff[ectionate]ly with all & started at 5 as we came.

Took tea with Dr S to whose politeness much indebted. Mr Whitney lent Dr M & myself his chaise & we got home $\frac{1}{2}$ past 9

23. Wednesday. Nearly tired out. Rode with Miss Crawford & little Phebe Warren as far as Beards to give the child some fresh air. An amusing affair last Sunday between Mr B & myself about my being an Irishman. He insisted upon it, & shook me warmly by the hand. The weather was too warm for the child—a little Meno orphan fast sinking into the grave with scrofula wh has carried off several chld from the Mission this yr & wh is a very common disease particularly among the half breeds. Towards Sun set Miss C, her br & myself with 5 of the boys & a young Meno man as guide took a bark canoe & went to Navarino. I paddled part of the way. This mode of conveyance appears very attractive to all who have experienced it. Visited Whitney some stores &c & returned same way after 10 oc.

In the morning of this day we ex[amined] the school of the boys—were gratified—some passed—many ac[quainted] with Geogra[phy]—many wrote—but five of the present in arith—but boys have gone thro here with Dabolls & have commenced surveying, Nat Philoro &c. Dr. M ex[amined] in the Cat[echism]. One of the boys concerned in the late affair remains. None have been sent away—but their friends were requested to take them. Presumptive evidence that the house was set on fire by some of those who were punished.¹
