

time which has been spent in prayer. Four female members of the Church have died during the past year, and one of them was one of the most active and influential members in the Maternal Association as well as in the Church. She united with the Church under the ministry of my predecessor in 1828.

Two of the others who died were aged and lived in sin until old age. One of them lived in pagan darkness until she was with the rest of the family consisting of eight souls removed to Green Bay in 1825. Subsequently the whole became hopefully pious one after another and united with the Church. All are now dead but two and all have died giving evidence in life and in death of being Christians. This old lady was a Munsee by nation and the mother and grand mother of this family and died in the 78th year of her age in peace in the Lord.

Whenever I see native converts leaving the world as either of the abovementioned did giving evidence in life and until death of being Christians I not only rejoice but feel that both the Missionaries & the friends of Missions find an ample reward for all their trials and sacrifices.
