

nommonies to devise ways & means of getting access to them & of bringing a good influence to bear upon them. In order to the accomplishment of these purposes the committee direct that you & a part of your family go to Green Bay as soon as possible & establish yourselves at or near the Village of the Stockbridge Indians on the Fox River (We are quite inclined to think that it will be best for you to place yourselves so near the center of the Village as will secure the fullest attendance of Children at school & of the congregation on the Sabbath. You can probably get a few acres for garden & pasture, & perhaps a few acres for Corn. But if you could get but one acre for a garden, it would be better on the whole to live in the Village, than to attempt to manage a farm). A Schoolmaster will soon follow you who will board in your family and make a part of it.

As soon as can conveniently be done after your arrival at the place of your destination you will commence the erection of a small dwelling house: The size may be about 32 feet By 26. the first story eight feet in the clear, the 2^d 7½ feet in the clear. It is greatly to be desired that the expenses should not exceed \$800. There should be a formal agreement with the Indians, that we should occupy the house & land so long a Mission or school shall be sustained there, & if By any unforeseen event the Mission should be removed or discontinued the Board shall have the privilege of selling the house to any of the Stockbridge Indians, or to any other persons with their approbation. —

We hope the expences of the mission will not exceed \$500. a year after the Building shall be erected & the family removed. Certainly there should be a constant effort to keep it within that sum, & \$600 must not be exceeded. In regard to the expences of the first year we wish them to be as small as possible consistently with comfort & true economy. Let no unnecessary articles be purchased, & no unnecessary furniture or implements be taken on.

It is to be hoped that you will be blessed in this service, & be the means of much good to the Indians. But if you
