SECOND SCOTTISH REPORT, FOR 1833

STATESBURG NEAR GREEN BAY M. T.

Aug. 1st. 1833

*To the Sec. of the Scot. Soc. For Prop. Chris. Knowledge.*

DEAR SIR — My last communication brought the history of this Mission down as far as Feb. 1st. Since then no great changes have taken place: altho' industry and the cause of temperance are evidently making progress. The state of feeling in the church has been very harmonious and two individuals have indulged hopes of having passed from death unto life. The four individuals whom I then mentioned as being under censure have been restored and their walk since that time has been circumspect. But we have been under the necessity of suspending three others on account of intemperance. One of them, a young man with a wife who is also a member, have since left the Settlement in a clandestine manner, and gone to Canada five or six hundred miles distant.

Two were examined & propounded for admission into the ch[urch] last Spring, but their walk during the time they were on trial (which was three months) not being satisfactory, they were put upon further trial. Two members have died in the triumphs of faith. I have baptised four children. Religious meetings both on the Sab. & week days have been well attended and at times great solemnity has been manifested upon the minds of the congregation.
