

PERROT'S OSTENSORIUM, 1686

Silver soleil (or ostensorium) given by Nicolas Perrot, French commandant of the West, to St. François Xavier mission at De Pere, in 1686. Now in museum of Wisconsin Historical Society at Madison. The translation of the engraved base reads: "This soleil was given by Mr. Nicolas Perrot to the mission of St. François Xavier at the Baye des Puants, 1686"
