

2019 Land Trust Grants - New York State Conservation Partnership Program

Detailed Roster of 2019 Conservation Partnership Program Grant Awards			
Capacity & Excellence Grants			
Organization <small>*Accredited Land Trusts are in Bold</small>	Office Location	Project Summary	Grant Award
Adirondack Land Trust	Keene, Essex County	Technology Tools for Land Protection and Stewardship - Grant will enable Adirondack Land Trust to increase capacity for land protection and stewardship by investing in technological upgrades for the field and office.	\$30,000
Agricultural Stewardship Association	Greenwich, Washington County	Building Organizational and Community Resilience by Embracing Climate Smart Solutions - Grant will enable Agricultural Stewardship Association to explore climate smart solutions to ensure the sustainability of the agricultural lands they conserve and to apply a climate change lens to daily operations and outreach, with increased communication and targeted education around climate adaptation and renewable energy.	\$30,000
Battenkill Conservancy	Cambridge, Washington County	Building Organizational Excellence by Preparing, Planning and Persevering - Grant will support preparation for national accreditation and the development of a 5-year strategic plan that reflects Battenkill Conservancy's mission to conserve land, protect and improve water quality, and provide public access for recreational opportunities within the Battenkill Watershed.	\$25,000
Brooklyn Queens Land Trust	Brooklyn, Kings County	Preparing for Upcoming Transition by Strengthening Systems - Grant will enable Brooklyn Queens Land Trust to prepare for an upcoming leadership transition and to continue making progress towards national accreditation by developing a board manual, improving personnel policies, and implementing a more user-friendly and transparent financial management system.	\$25,000
Delaware Highlands Conservancy	Delaware & Sullivan Counties (project location)	Expanding Community Programming in Sullivan and Delaware Counties - Grant will enable Delaware Highlands Conservancy to expand their programming on land protection, land management, recreation, and natural resource conservation and to identify potential community partners that would help them to reach a wider audience.	\$37,500
Genesee Land Trust	Rochester, Monroe County	Strategic Planning - Grant will enable Genesee Land Trust, which celebrates its 30th anniversary in 2019, to engage the community and key stakeholders in the development of a new strategic plan that reflects the growth in capacity and changes in strategic priority that have taken place over the last 10 years.	\$32,000
Grassland Bird Trust	Fort Edward, Washington County	Growing Conservation Capacity - Grant will enable the Grassland Bird Trust to increase their capacity for communications, outreach and development in order to attract new members, volunteers, and financial supporters that will help provide long-term sustainability for the organizations conservation work.	\$35,000
Grassroots Gardens WNY	Buffalo, Erie County	Preparing for Accreditation by Building Tools for Organizational Excellence and Sustainability - Grant will enable Grassroots Gardens WNY to continue working towards national accreditation by build capacity around board governance, fundraising, land aquisition and stewardship through the implementation of <i>Land Trust Standards and Practice</i> .	\$30,000
Grassroots Gardens WNY	Buffalo, Erie County	Gardening for All - Grant will enable Grassroots Gardens WNY to partner with local organizations that serve the blind and visually impaired, deaf and hard of hearing, and individuals with developmental and/or physical disabilities to identify ways to improve the accessibility or their garden network so that all community members have the opportunity to reap the benefits.	\$30,000

2019 Land Trust Grants - New York State Conservation Partnership Program

Capacity & Excellence Grants (continued)			
Organization <small>*Accredited Land Trusts are in Bold</small>	Office Location	Project Summary	Grant Award
Green Guerrillas	New York, New York	Strengthening the Bronx & Manhattan Land Trusts - Grant will enable Green Guerrillas to continue providing support and expertise to two community garden land trusts in the Bronx and Manhattan, focusing specifically on member engagement, fundraising and outreach, and long-term stewardship and sustainability of each organization's gardens.	\$25,000
Greene Land Trust	Coxsackie, Greene County	Fundraising and Marketing Analysis and Implementation Plan - Grant will enable Greene Land Trust to assess current fundraising and marketing efforts, develop a donor development program for existing and new donors, and provide board and staff fundraising training to help identify ways to engage with donors.	\$10,000
Greene Land Trust	Coxsackie, Greene County	Building and Sustaining Organizational Capacity - Grant will enable Greene Land Trust to continue to build and sustain their capacity for land protection, stewardship, and public outreach and engagement in Greene County.	\$21,000
Mohonk Preserve	New Paltz, Ulster County	Updating Mohonk Preserve's Trail Map - Grant will enable Mohonk Preserve to update its wayfinding trail map to include the 836-acre Foothills area, the site of a new trailhead to be installed in 2019. The new map will be designed using GIS and made available to visitors free via signs, print, and online.	\$23,000
Mohonk Preserve	New Paltz, Ulster County	Upgrading Constituent Data and Commerce Systems - Grant will enable Mohonk Preserve to retain the services of a technology consulting firm to evaluate software solutions for customer relationship management and point of sale, positioning the organization to improve experiences for visitors, members and donors.	\$17,000
North Salem Open Land Foundation	North Salem, Westchester County	Weil Preserve Community Needs and Feasibility Assessment - Grant will enable North Salem Open Land Foundation to conduct an assessment to determine the best use for a recent bequest of 88-acres of high conservation value land which includes a residence and to consider how this acquisition fits with the organizations long-term strategic goals.	\$9,000
North Shore Land Alliance	Westbury, Nassau County	Improving Stewardship of Our Preserves by Maximizing Volunteer Involvement - Grant will help North Shore Land Alliance improve their volunteer stewardship program by building the capacity needed to more effectively recruit, coordinate and reward the volunteers that are working to manage and maintain the land trust's growing number of properties.	\$37,000
Orange County Land Trust	Mountainville, Orange County	Accreditation Renewal - Grant will enable Orange County Land Trust to add additional capacity to support their efforts to prepare for accreditation renewal in 2019.	\$8,000
Otsego Land Trust	Cooperstown, Otsego County	Moving Land Trust Initiatives Forward with Improved Technology and Branding - Grant will enable Otsego Land Trust to re-brand and re-design their website to be more mobile friendly, responsive, and provide increased opportunities for online giving. The new branding design will also be applied to the land trust's tabletop presentation materials.	\$20,000
Peconic Land Trust	Riverhead, Nassau County (project location)	Nassau County 4-H - Grant will enable the Peconic Land Trust to partner with Nassau County and Cornell Cooperative Extension to evaluate the status of the landholdings that make up the 145-acre Nassau County 4-H and to create a plan to preserve the land that will allow for the continued existence and rejuvenation of the 4-H camp.	\$25,000

2019 Land Trust Grants - New York State Conservation Partnership Program

Capacity & Excellence Grants (continued)			
Organization <small>*Accredited Land Trusts are in Bold</small>	Office Location	Project Summary	Grant Award
Putnam County Land Trust	Brewster, Putnam County	Increasing Stewardship Capacity for Fee and Easement Properties - Grant will enable this all-volunteer land trust to hire a conservation consultant to help address ongoing stewardship needs by working closely with the volunteers that oversee conservation easement monitoring and the management and upkeep of the land trusts preserves.	\$25,150
Rensselaer Land Trust	Troy, Rensselaer County	Developing a 3-Year Fundraising and Outreach Plan - Grant will enable the Rensselaer Land Trust to prepare and implement a 3-year fundraising and outreach plan that will help the land trust become more financially sustainable and better poised to achieve the goals described in their strategic plan.	\$20,000
Rensselaer Land Trust	Troy, Rensselaer County	Stewardship of Public Preserves and Trails - Grant will enable the Rensselaer Land Trust to train and outfit the joint Rensselaer Land Trust/Rensselaer Plateau Alliance Trail Crew to better perform county-wide trail construction and maintenance on public preserves and trails.	\$9,000
Saratoga P.L.A.N.	Saratoga Springs, Saratoga County	Taking a Stand, Defending Eastern Hemlocks from an Invasive Forest Pest - Grant will enable Saratoga PLAN to hire a graduate level intern to identify priority hemlock stands on their conserved lands and develop a management and treatment plan for safeguarding these stands from the impacts of the invasive Hemlock Woolly Adelgid.	\$3,550
Saratoga P.L.A.N.	Saratoga Springs, Saratoga County	New Technology for Expanding Horizons - Grant will help Saratoga PLAN complete a comprehensive information technology upgrade including improvements to their constituent database, office systems, and stewardship systems, which will enable the land trust to increase capacity, productivity and security, and ultimately improve the stewardship of their conserved properties.	\$27,800
Teatown Lake Reservation	Ossining, Westchester County	Accreditation Preparation - Grant will enable Teatown Lake Reservation to work with legal interns at the Haub Environmental Law School (Pace University) on revising and preparing legal documents needed for the land trusts to apply for and achieve accreditation in 2020.	\$19,500
Tug Hill Tomorrow Land Trust	Watertown, Jefferson County	Regional Farmland Protection Plan - Grant will enable the Tug Hill Tomorrow Land Trust to create a comprehensive regional farmland protection plan and to develop materials to educate municipalities in their service area about the importance of farmland protection and how they can become more engaged.	\$36,800
Walkill Valley Land Trust	New Paltz, Ulster County	Strategic Outreach and Communications Initiative - Grant will enable the Walkill Valley Land Trust to develop a strategic outreach and communications initiative aimed to increase visitation, visitor experience, and visitor safety on land trust lands and to expand conservation efforts and public engagement in southern Ulster County.	\$35,000
Westchester Land Trust	Bedford Hills, Westchester County	Increasing Pace of Boundary Delineation on Legacy Land Holdings - Grant will enable Westchester Land Trust accelerate the pace of professional surveying and field staking on legacy preserves where this has not been completed, reducing the risk of encroachment and the threat of adverse possession claims.	\$39,700
TOTAL			\$686,000

2019 Land Trust Grants - New York State Conservation Partnership Program

Conservation Catalyst Grants			
Organization <small>*Accredited Land Trusts are in Bold</small>	Office Location	Project Summary	Grant Award
Columbia Land Conservancy	Chatham, Columbia County	Community Science as a Catalyst for Conservation - Grant will enable Columbia Land Conservancy to build on relationships with partners in the Hudson City School District to engage youth in community science at the land trust's Greenport Conservation Area.	\$40,000
Ducks Unlimited - GLARO	Montezuma Wetlands Complex, Seneca County (project location)	Montezuma Wetlands Complex Land Protection Partnership - Grant will enable Ducks Unlimited and their partners to develop and advance a new strategic plan for habitat protection which will engage new partners and catalyze landscape level and community supported protection of critical habitat.	\$35,000
Finger Lakes Land Trust	Ithaca, Tompkins County	Finger Lakes Water Quality Initiative - Grant will enable Finger Lakes Land Trust to respond to a compelling community need by launching a water quality initiative to combat toxic algae in the Finger Lakes. The initiative will focus on developing strategic programs, creating educational resources, and engaging partners on demonstration projects that reduce runoff.	\$20,000
Genesee Land Trust	Rochester, Monroe County	Launching the Genesee River Alliance - Grant will enable Genesee Land Trust to hire a Coordinator to oversee the developing Genesee River Alliance, a partnership made up of neighborhood residents, river based organizations and businesses in the City of Rochester that will focus on informing and mobilizing conservation and development – natural or built -- in the Genesee River corridor.	\$60,000
Lake Placid Land Conservancy	Lake Placid, Essex County	Community Conservation Project - Grant will enable Lake Placid Land Conservancy to engage the community and land trust partners to identify land in their service area with high conservation value and to develop strategies to work and build relationships with landowners that will catalyze new conservation projects and recreational opportunities on priority lands.	\$60,000
Open Space Institute	Palmertown Conservation Area, Saratoga County (project location)	Southern Palmertown Conservation and Recreation Plan Implementation - Grant will enable Open Space Institute and Saratoga PLAN to begin implementation of the recently completed Southern Palmertown Conservation and Recreation Plan, maintain community-wide engagement and ensure regional adoption of the plans recommendations.	\$50,000
The Nature Conservancy - New York State	New York, New York (project location)	Development of an Urban Forest Advisory Council - Grant will enable The Nature Conservancy's New York City program to identify potential partners to form an Urban Forest Advisory Council that will collaboratively develop goals to advocate for and steward NYC's forest into the future.	\$40,000
The Trust for Public Land	Nassau and Suffolk Counties (project location)	Long Island Extension to the Empire State Trail - Grant will enable the Trust for Public Land and the New York Bicycling Coalition to begin implementing the plan developed for extending the Empire State Trail to Long Island by way of an east-west, multi-use trail, by completing two pilot projects, one in Nassau and one in Suffolk county.	\$40,000
TOTAL			\$345,000

2019 Land Trust Grants - New York State Conservation Partnership Program

Professional Development Grants			
Organization <small>*Accredited Land Trusts are in Bold</small>	Office Location	Project Summary	Grant Award
Cazenovia Preservation Foundation	Cazenovia, Madison County	Grant will enable the Cazenovia Preservation foundation to hire it's first, part-time Executive Director, providing the organization with additional capacity to implement the goals and strategies identified in their strategic plan and fundraising plan. A new Executive Director will also allow the part-time Conservation Manager to focus on managing stewardship of the land trusts fee and easement lands.	\$71,100
Champlain Area Trails	Westport, Essex County	Grant will enable Champlain Area Trails to hire a full-time Development Coordinator to oversee and manage the land trusts fundraising program, including a capital campaign that will enter a public phase this fall. CATS is also expanding its service area into Clinton County and the addition of this position will help them to reach out to new Champlain Valley communities, including Plattsburgh, the Valley's largest city.	\$100,000
Rensselaer Plateau Alliance	Petersburgh, Rensselaer County	Grant will enable Rensselaer Plateau Alliance to hire a full-time Volunteer, Program and Outreach Coordinator to coordinate volunteers and manage programs and outreach to RPA partners including other conservation organizations and local municipalities. In addition, grant funds will also allow RPA to promote their part-time Communications and Development Associate to full-time, increasing capacity for fundraising and community outreach.	\$100,000
Western New York Land Conservancy	East Aurora, Erie County	Grant will enable the Western New York Land Conservancy to hire a full-time Farmland Protection Specialist to help the Conservancy increase the pace of farmland protection in Western New York by developing and overseeing new projects and assisting with monitoring, landowner relationships, and implementing best management practices on already protected agricultural lands.	\$100,000
TOTAL			\$371,100

2019 Land Trust Grants - New York State Conservation Partnership Program

Stewardship & Resource Management Grants			
Organization <small>*Accredited Land Trusts are in Bold</small>	Office Location	Project Summary	Grant Award
Adirondack Land Trust	Keene, Essex County	Coon Mountain Preserve Trail Reconstruction, Kiosk and Guide Update - Grant will enable the Adirondack Land Trust to provide a more positive user experience for the thousands that visit the popular Coon Mountain Preserve annually by reconstructing the properties 23-year-old trails and preparing them for heavier use and by updating and creating new interpretive materials.	\$23,500
Buffalo Niagara River Land Trust	Buffalo, Erie County	1660 Niagara Access Improvement Grant - Grant will enable the Buffalo Niagara River Land Trust to begin landscaping of a waterfront property in the city of Buffalo they have been remediating for the last 3 years. Improvements which include trails, habitat restoration and a boat launch, will restore access to the Niagara River and realize the communities vision for the property.	\$30,000
Finger Lakes Land Trust	Ithaca, Tompkins County	Improving Public Access at Steege Hill Nature Preserve - Grant will enable Finger Lakes Land Trust to improve safety, accessibility, and the educational experience for visitors of the 794-acre Steege Hill Preserve in Chemung County by installing a new parking lot, interpretive kiosk, and connecting trail.	\$28,500
Greenburgh Nature Center	Greenburgh, Westchester County	Signage and Trail Rehabilitation - Grant will enable the Greenburgh Nature Center to improve visitor experience by upgrading their entrance signage, making it more visible, adding signage that provides information on the Center's conservation and sustainability mission and goals, and by completing necessary trail improvements.	\$20,000
Lake George Land Conservancy	Bolton Landing, Warren County	Bolton Recreation Hub Facility Upgrades - Grant will enable Lake George Land Conservancy to update and replace trail signage and kiosks, build a new parking area and complete trail improvements to improve public access, increase recreational and educational opportunities, and promote community health and eco-tourism.	\$40,000
Mianus River Gorge	Bedford, Westchester County	Trail Enhancement - Grant will enable Mianus River Gorge to improve visitors' outdoor experience by building a new trail that brings hikers closer to the Mianus River in a deeper part of the Gorge and offers stunning views of the majestic trees of this rare old-growth forest.	\$49,900
North Shore Land Alliance	Westbury, Nassau County	Welcoming the Public Into a Historic Preserve - Grant will enable the North Shore Land Alliance to design and install a parking area, exhibition center, and garden for the historic Humes Estate. The property is adjacent to other conserved lands including the popular Humes Japanese Stroll Garden the land trust purchased, restored and re-opened to the public.	\$40,500
Ontario Bays Initiative	Chaumont, Jefferson County	Discover Downybrook - Grant will enable the all-volunteer Ontario Bays Initiative to design and implement needed infrastructure upgrades in order to provide a safe and enjoyable experience for visitors to their signature property, the 184-acre Downybrook Preserve.	\$37,700
Teatown Lake Reservation	Ossining, Westchester County	Wetlands Restoration on Wildflower Woods - Grant will enable Teatown Lake Reservation to restore a wetland located within the Wildflower Woods section of Teatown Lake Reservation which is being impacted by runoff from a nearby parking lot eroding the soil and promoting invasive plant species to take hold.	\$40,000

2019 Land Trust Grants - New York State Conservation Partnership Program

Stewardship & Resource Management Grants (continued)			
The Nature Conservancy - New York State	Willsboro, Essex County (project location)	Connecting People and Nature at the Boquet River Nature Preserve - Grant will enable the Adirondack Chapter of The Nature Conservancy to construct a new entrance to their flagship Boquet River Nature Preserve, improvements will include a new connecting trail, updated interpretative signage and kiosk, boot brush stations, and educational materials.	\$20,000
Thousand Islands Land Trust	Clayton, Jefferson County	Trail Revitalization Project - Grant will enable the Thousand Islands Land Trust to make improvements to four of the organizations signature preserves, enhancing the visitor experience by creating a common theme across the preserves while including specific infrastructure improvements that will highlight each preserve's unique natural features and diverse landscapes.	\$49,000
Woodstock Land Conservancy	Woodstock, Ulster County	Sloan Gorge Preserve Trail Improvements - Grant will enable Woodstock Land Conservancy to make improvements to a popular 1.5-acre trail on their 88-acre Sloan Gorge Preserve with the goal of improving user safety and comfort and accomodating increased useage.	\$28,000
TOTAL			\$407,100

2019 Land Trust Grants - New York State Conservation Partnership Program

Conservation Transaction Grants			
Organization <small>*Accredited Land Trusts are in Bold</small>	Office Location	Project Summary	Grant Award
Capital Roots	Albany, Albany County (project location)	Creating a New Community Garden in Albany - Grant will enable Capital Roots to establish a new community garden in the City of Albany which will offer opportunities for community members to grow fresh, healthy food and serve as a place for gathering and recreation for current and future generations.	\$14,800.00
Columbia Land Conservancy	Chatham, Columbia County	Thompson-Finch Farm - Grant will enable Columbia Land Conservancy to partner with Dutchess Land Conservancy to permanently protect a 210-acre local farm that has been owned and operated by the same family for five generations. Currently operated as a certified organic you-pick strawberry operation, the farm draws in more than 1,000 customers annually.	\$45,000.00
Delaware Highlands Conservancy	Callicoon, Sullivan County (project location)	Apple Pond Farm - Grant will enable Delaware Highlands Conservancy to place an agricultural easement on the 81-acre Apple Pond Farm, a working farm that offers a farming apprentice program, public education programs, farm tours, and a renewable education center.	\$25,000.00
Friends of the Great Swamp	Pawling, Dutchess County	Swamp River Preserve - Grant will enable this all-volunteer land trust to cover costs associated with the recent acquisition of a 194-acre wetland parcel that includes almost 1/3 of a mile of frontage along the Swamp River and is home to a number of important species such as Wood Turtles, Spotted Turtles, New England Cottontail and many migratory birds.	\$7,270.00
Genesee Valley Conservancy	Geneseo, Livingston County	Mill Creek Acquisition - Grant will enable the Genesee Valley Conservancy to establish a new nature preserve on a recently acquired 49-acre property along two branches of Mill Creek which boasts a trout stream with spawning brook and brown trout.	\$29,000.00
Hudson Highlands Land Trust	Garrison, Putnam County	Protecting the Viewshed of the Appalachian Trail - Grant will enable Hudson Highlands Land Trust to cover costs associated with the recent acquisition of a 72-acre property that features woodlands, wetlands, and interior northern hardwood forest and is a priority for the land trust because it conserves environmentally significant land and safeguards a scenic resource buffering the Appalachian Trail.	\$40,000.00
Hudson Highlands Land Trust	Garrison, Putnam County	Granite Mountain Preserve Connector - Grant will enable Hudson Highlands Land Trust to cover costs associated with the recent acquisition of two properties totaling 189-acres that achieve the land trusts vision for creating a link between the Granite Mountain Preserve and the popular Clarence Fahnestock Memorial State Park.	\$50,000.00
Lake George Land Conservancy	Bolton Landing, Warren County	McPhillips Preserve - Grant will enable the Lake George Land Conservancy to partner with the towns of Lake George and Queensbury to draft a management agreement and complete surveying, monitoring and trail marking on the recently acquired 317-acre McPhillips Preserve which was transferred to the towns, subject to a conservation easement.	\$38,220.00
Mohawk Hudson Land Conservancy	Slingerlands, Albany County	Heldeberg Workshop - Grant will enable Mohawk Hudson Land Conservancy to conserve an approximately 218-acre property located at the base of the Helderberg Escarpment, with a conservation easement. The protection of the Heldeberg Workshop property represents the last critical piece needed to create a conservation corridor of more than 3,400 acres.	\$24,600.00
Northeast Wilderness Trust	Eagle Mountain, Essex County (project location)	Eagle Mountain Wilderness Preserve - Grant will enable the Northeast Wilderness Trust to acquire the proposed 2,434-acre Eagle Mountain Wilderness Preserve, located in the eastern Adirondacks. Acquisition of this important property represents a strategic opportunity to protect a resilient wildlife corridor, habitat for a state-listed endangered species, and enhance recreation for residents and visitors.	\$40,000.00

2019 Land Trust Grants - New York State Conservation Partnership Program

Conservation Transaction Grants (continued)			
Orange County Land Trust	Mountainville, Orange County	Boritz Conservation Easement Acquisition - Grant will enable Orange County Land Trust to cover costs associated with the acquisition of a conservation easement on 99-acres of forested land in the Neversink River watershed identified by NY state as a "significant biodiversity area".	\$7,400.00
Otsego Land Trust	Cooperstown, Otsego County	Permanent Protection of the Susquehanna River and Cherry Valley Creek Confluence - Grant will enable Otsego Land Trust to cover costs associated with the recent purchase of a 64-acre property with 1 1/4 miles of frontage on the Susquehanna River & Cherry Valley Creek.	\$12,700.00
Otsego Land Trust	Cooperstown, Otsego County	Assuming Stewardship and Land Management Responsibilities - Grant will enable Otsego Land Trust to acquire four properties totalling 123-acres that are being transferred to the land trust through a partnership and agreement with The Nature Conservancy. All four properties are part of the Susquehanna River Valley Corridor and are home to rare and threatened plant species.	\$7,750.00
Thousand Islands Land Trust	Clayton, Jefferson County	Frontenac Arch Forests and Wetlands Conservation Initiative - Grant will enable the Thousand Islands Land Trust to complete surveys, boundary marking and management plans on two recently acquired properties adjacent to the Pulpit Rock State Forest which protect and open up over 500-acres of wetlands and mature forest lands for public enjoyment.	\$43,300.00
Trust for Public Land	Pawling, Dutchess County	Corbin Hill - Grant will enable the Trust for Public Land to complete due diligence related to the closing and transfer of a recently acquired 219-acre property along the Appalachian National Scenic Trail to the National Park Service.	\$15,000.00
Tug Hill Tomorrow Land Trust	Watertown, Jefferson County	Cataldo Conservation Easement - Grant will enable the Tug Hill Tomorrow Land Trust to cover costs associated with the recent acquisition of a conservation easement on 251-acres of predominately forested land that is a certified tree farm and features over 12,900 feet of frontage on the Independence River in the Town of Greig, Lewis County.	\$15,800.00
Westchester Land Trust	Bedford Hills, Westchester County	Preserving Habitat in the Rockefeller State Park Preserve Corridor - Grant will help Westchester Land Trust cover costs associated with the recent acquisition of a conservation easement on 61-acres of Rockefeller Land, adding to more than 2,000 contiguous protected acres comprised of Rockefeller State Park, National Trust for Historic Preservation lands and other Westchester Land Trust conservation easements.	\$13,680.00
Westchester Land Trust	Bedford Hills, Westchester County	Preserving a Religious Order's Lands in an Underserved Hudson River Community - Grant will help Westchester Land Trust cover costs associated with the recent acquisition of a conservation easement on 34-acres of Hudson River waterfront owned by the Dominican Sisters of Hope. The sisters intend to open portions of the property to the public and partner with the land trust to provide programming for the diverse and underserved community of Ossining.	\$11,280.00
TOTAL			\$440,800
