

## Y-27632, Ceritinib, and 6 Other Products Are Now Back in Stock

November 15, 2017

The following products are back in stock and ready for immediate delivery:

- Ceritinib, Free Base
- Daidzin
- Fingolimod, Hydrochloride Salt
- GDC-0941, Dimethanesulfonate Salt
- Masitinib, Free Base
- Ribociclib, Free Base
- Saracatinib, Free Base
- Y-27632, Dihydrochloride Salt

Please always [check our website](#) for the most up-to-date prices.

\* LC Laboratories is a U.S. company, founded in 1980. We are now providing translations of some technical publications and announcements into several languages.

**LOOK HERE FIRST for:**

- **The Most Important Cell Signaling and Preclinical Oncology Compounds**
- **The Highest Purities**
- **The Lowest Prices**

Our policy is to send only infrequent, very brief updates on the following topics:

- New products and/or new lots available from stock
- Price reductions
- Changes to our web site, services or policies
- Announcements of new printed editions of the LC Labs catalog
- Alerts for new articles and technical notes published by our scientists
