

New Price Reductions for Veliparib and Its HCl Salt -- As Much As 60%

January 3, 2018

LC Labs is pleased to announce new price reductions for the products listed below, effective immediately.

These are essentially permanent price reductions, not a special “sale”.

We lower our prices frequently, as our production methods improve and our costs decrease. Since 1/1/2012, we have lowered prices on 193 products a total of 612 times.

Please always **check our website** for the most up-to-date prices.

* LC Laboratories is a U.S. company, founded in 1980. We are now providing translations of technical publications and announcements into several languages.

- **The Highest Purities**
- **The Lowest Prices**

Our policy is to send only infrequent, very brief updates on the following topics:

- New products and/or new lots available from stock
- Price reductions
- Changes to our web site, services or policies
- Announcements of new printed editions of the LC Labs catalog
- Alerts for new articles and technical notes published by our scientists
