### LC Labs Products Have Been Cited by More Than 12,800 Peer-Reviewed Articles - 1,700 New Citations Since July 2017

November 8, 2018

LC Labs only offers about 200 products, so this citation rate is really quite high.

LC Labs products have been cited directly:

- by [about 12,700 peer-reviewed publications](#)
- in hundreds of biomedical journals
- in all of the major biomedical journals, such as *Nature*, *Science*, *Cell*, *PNAS*, *Journal of Biological Chemistry*, *Journal of Clinical Investigation*, etc.
- by more than 600 articles so far in 2017

LC Labs products have been cited in more than 1,700 peer-reviewed publications since our most recent update on this topic on July 2, 2017.

Our current products have been thoroughly tested for performance in many thousands of labs worldwide, and new products that we introduce meet the same rigorous quality standards.
