

New Price Reductions for Panobinostat, Free Base— As Much As 40%

January 17, 2018

LC Labs is pleased to announce new price reductions for the product listed below, effective immediately.

These are essentially permanent price reductions, not a special “sale”.

We lower our prices frequently, as our production methods improve and our costs decrease. Since 1/1/2012, we have lowered prices on 193 products a total of 612 times.

Please always **check our website** for the most up-to-date prices.

P-3703 Panobinostat, Free Base, >99%

- **The Highest Purities**
- **The Lowest Prices**

Our policy is to send only infrequent, very brief updates on the following topics:

- New products and/or new lots available from stock
- Price reductions
- Changes to our web site, services or policies
- Announcements of new printed editions of the LC Labs catalog
- Alerts for new articles and technical notes published by our scientists
