

New Price Reductions for Idelalisib, Bortezomib, and 3 Other Products - As Much As 41%

January 31, 2018

LC Labs is pleased to announce new price reductions for the products listed below, effective immediately.

- Axitinib
- Birinapant
- Bortezomib
- Idelalisib
- Obatoclox

These are essentially permanent price reductions, not a special “sale”.

We lower our prices frequently, as our production methods improve and our costs decrease. Since 1/1/2012, we have lowered prices on 193 products a total of 618 times.

Please always [check our website](#) for the most up-to-date prices.

Our policy is to send only infrequent, very brief updates on the following topics:

- New products and/or new lots available from stock
- Price reductions
- Changes to our web site, services or policies
- Announcements of new printed editions of the LC Labs catalog
- Alerts for new articles and technical notes published by our scientists
