

LC Laboratories

November 2, 2018,

Venetoclax, Palbociclib-HCl and seven other Popular Products Are Now Back in Stock, All with Price Reductions

LC Labs is pleased to announce that the following nine products are now back in stock. Also, the prices of all nine products have been lowered, effective immediately.

- Venetoclax
- Palbociclib, Hydrochloride Salt
- Roscovitine
- Forskolin
- Fasudli
- Phorbol
- Irinotecan
- Duvelisib
- Ink128

These are essentially permanent price reductions, not a special "sale".

We lower our prices frequently, as our production methods improve and our costs decrease. Since 1/1/2012, we have lowered our prices on 194 products a total of 634 times.

Please always [check our website](#) for the most up-to-date prices.
