Ultimately, we're not talking about wallets, but, "What's in your **heart?**" In Luke 12:48, Jesus concludes His discussion on the faithful steward by saying, "For everyone to whom much is given, from him much will be required: and to whom much has been committed, of him they will ask the more." In the days and months to come, let us show the folks in our community what truly is in our hearts. Let each of us resolve to use our talents to bring someone to Christ, to help lift a heavy load, or even just brighten someone's day.
