

A Word Of Encouragement As We Continue To SURGE

Dear brothers and sisters in Christ,

Congratulations! You have already SURGED to new heights in Christ. Reaching forward and upward. We have partaken in two of the three partitions of this SURGE. REACHING for more of Christ and RECEIVING more of Christ and His pleasures for us. This final week we come to ABIDING in Christ . Holding on to the ground we have gained and advancing.

This week your spiritual senses will even become more aware of who He really is, and where He wants to bring you! AND THAT IS A PLACE OF ABIDING. Be honest, be open and be ready!

Our FAST ends on midnight January 27th. Our PRAYING and ABIDING continues.

There will be a Praise, Worship, and Prayer night on Wednesday January 30th to celebrate Jesus and all He has brought us through, shown us, delivered us from, etc Pastor Moen will be leading us in prayer. This will be a special night of jubilation. Please plan to attend.

Blessing as you continue to SURGE ON this week.
