He was the younger son
Who could have known
He would wear a crown
The dreamer dreamed
His brothers schemed
To take him down
But Joseph trusted on
As one by one the trials come
And made him strong

When the moment came
That God ordained
He raised the man
His heart was pure,
for he was sure
it was all God's plan
And Joseph could forgive
And let his brothers live
For what they meant as evil
God had meant...

Chorus
For good, for good
God takes the circumstances
And works them out like only He could,
for good
He puts it all together
Just the way a loving Father would,
for good
So keep on trusting
that God is working,
for good

So when life seems hard
and the place you are
Feels cold and dark
When old memories
Drive you to your knees
God sees your scars
That's when He reaches down
And pulls you out
You will stand in His power
And sing again...

Bridge
So when your heart is broken
God gives the grace to endure
He'll use the broken pieces
To make a stronger heart
That is sure
