I, I wanna grow up to be a child again,
Your child forever
Live in simple trust, curious
Of what Your grace will send me

Bridge 1
Bring back again a love for life
Filled with awestruck wonder
Take my secret pride, replace it with
Sounds of laughter as I'm

Chorus
Shouting out Your praises
Dancing in Your presence
Lord, make me a child once again

Living in the moment
Taking in Your blessings
Lord, make me a child once again

Verse 2
Make me teachable, pliable
Shamelessly creating
Songs and thoughts of joy
And innocence
As I live transparently

Bridge 2
Take me back to my first love
When You were all I thought of
Bring back the sounds of hope and peace
Sounds of laughter as I'm
