Verse 1

Far beyond the world we know
Where stars are born and set aglow
The universe is bursting with praise
Since the dawn of time and space
When galaxies were set ablaze
The heavens have been singing of Your great Name

Pre-Chorus

We Your children
Join creation
Singing louder and louder...

Chorus

From the corners of the earth
Let no other name be heard
Jesus, Jesus, You are the anthem
Ringing through the sky
Hear this symphony arise
Jesus, Jesus, You are the anthem

Verse 2

Through every age of history
Your song of love is echoing
As generations carry Your flame
From then to now, forevermore
With every heart in one accord
The nations will be singing of Your great Name

Pre-Chorus

We Your children
Raise this anthem
Singing louder and louder...

Repeat Chorus

Bridge

There is no greater song to sing
The anthem of Creation's King
No higher Name will ever be
than Jesus, oh Jesus
