

Our King Victorious

Words and music by Mike Harland and Tommy Walker.

Verse 1

Before the moon and stars were shining
Before the planets started spinning
The Father, Spirit, Son were reigning up above
When the appointed time had come, the Father sent His Son
For us He died, humiliated, so that we could rise above

Pre-chorus

But there's a day we know is coming
When He returns in pow'r and glory
And the Son who was rejected is declared the Lord, the One

Chorus

Our King, our King victorious
In righteousness He reigns
With justice He will rule the earth
Our King, Our King who reigns for us
Who wins the final fight will turn the wrongs to right

Verse 2

With the centuries unfolding
So many wars coming and going
So much poverty and pain
It seems it's always been the same
But the God who was a Lamb will be returning as a Lion
The One who died beside a thief has put all hell beneath His feet

Pre-chorus

But there's a day we know is coming
When the Light destroys all darkness
And the Son who was rejected is declared the Lord, the One

Chorus

Bridge x2

Who is the King, King of Glory?
Who is the King, Strong and Mighty?
Who is the King who lives to free us
Jesus, Jesus

Chorus

Our King victorious
Our King victorious
