Verse 1

Scenes of martyrs kneeling
About to give their lives
Not bowing to their captors
But to the will of Christ
Their eyes are fixed on Jesus
The Author of their faith
They see beyond the suffering
The joy that now awaits

Chorus

People of the Cross
Living out their faith
Willingly surrendered
Each and every day
People of the cross
Prepared for any cost
Because they know
The power of Christ
As People of the Cross

Verse 2

So would we die for Jesus
If that's what it would take
To demonstrate His passion
Steadfast in our faith
Let us raise His banner
Dyed in martyrs blood
In life or death remembering
The price of perfect Love

Chorus

Bridge

So lead us on Your righteous path
Away from fear of man
Give us courage to proclaim
With saints in every land, "We are..."

Chorus2

People of the Cross
Living out our faith
Willingly surrendered
Each and every day
People of the cross
Prepared for any cost
Because we know
The power of Christ
As People of the Cross
As People of the Cross
People of the Cross
