From the beginning  
Your word created all things  
Seen and unseen  
It was your plan  
That all creation would bring  
A worship offering  
But through our selfish wrongs  
We chose a different song

But through your power came  
A way for us to be saved,  
And rise to new heights  
So now we shout it out  
We lift our voice unashamed  
Cause You've given new life  
We sing of what we know  
It's You are our only Hope

### Chorus

You live, You set us free  
Your Word our only creed  
You are unstoppable, You are unstoppable

You live within our hearts  
You're changing who we are  
You are unstoppable, You are unstoppable

There may be mountains in our way  
But love will always win the day

Your kingdom will endure  
And now we know for sure  
You are unstoppable, You are unstoppable

This world may try to hide  
The perfect light of Your grace  
But still it shines through  
No darkness can remain  
When hope is lighting the way  
That all may find You  
Love gave us all it had  
Nothing can hold You back

### Chorus

So when they try to silence You  
We will stand on what is true  
That You are God and God alone  
Let us sing of what we know  
Sing of what we know

Chorus
