What if we knew tomorrow was the day

The day that we've been waiting for when He'll wipes our tears away

We would tremble with such fear, yet be dancing with such joy

What if we knew tomorrow was the day?

What if when we saw the morning light

The day of judgment was upon us and that reunion, oh so bright

We'd let go of all that's petty and make sure our hearts are ready

What if we knew tomorrow was the day?

What if we knew our final day was here

We'd proclaim it to our neighbors, we would worship with such fear

We'd give thanks for all He's done and for all that's yet to come!

What if we knew tomorrow was the day?

Chorus 1

We'd lift our eyes up to the skies

With blessed hope within our souls

We'd sing for joy, we'd serve, we'd go

We'd lift our eyes up to the skies

O, when that final sunset disappears

Will He find us on our knees, or full of doubts and full of fears

May we live in expectation and full of faith's anticipation

'Cause He promised that this day would soon be here!

Chorus 2

Let's lift our eyes up to the skies

With blessed hope within our souls

Let's sing for joy, let's serve, let's go

Let's lift our eyes up to the skies
