

# Feed My Sheep: A Passionate Plea for Preaching

*Revised & Expanded*

V A R I O U S   C O N T R I B U T O R S

The apostle Paul declared that “what we preach” was “folly” in the eyes of many in his time (1 Cor. 1:21). Such is always the world’s response to the gospel. But in our day, it seems that the method behind Paul’s message—preaching—is itself an object of ridicule, even within the evangelical church. In an age of short attention spans and entertainment “consumers,” many churches are yielding to pressure to set aside preaching in their worship services in favor of more “relevant” methodologies.

This book reveals the biblical basis for preaching, sketches the way it ought to be practiced, and shows the many practical benefits that flow from strong pulpits. Here is encouragement for preachers and wise counsel for those who desire to sit under the ministry of the Word of God preached.
