ROGERS
Make more possible.

Offer available for a limited time within Rogers cable and Smart Home Monitoring service area (where technology permits) to new and existing customers subscribing to Ignite Internet Gigabit and Flex 20+ or above and a Smart Home Monitoring Plan. Subject to change without notice. Data usage subject to Rogers Terms of Service and Acceptable Use Policy. See rogers.com/terms for full details. Rogers reserves the right to remove bundle benefits if services are changed or cancelled resulting in you no longer being eligible. Discount applies to monthly service fee for core services only. Additional add-ons (e.g. TV theme packs, etc.) and pay-per-use rates are subject to change and do not qualify for the promotion. *Taxes extra. One-time installation fee of \$149.99 applies. The credit will be applied monthly off the current price for the duration of the promotional period. The current price is subject to any applicable rate increase during or after the promotional period. **Taxes extra. A \$99 installation fee applies (additional install fees may apply for professional install of optional add-ons). See rogers.com/smart for details. An Early Cancellation Fee ("ECF") applies if customer cancels eligible Internet service and/or Smart Home Monitoring plan prior to end of 3-yr term. EARLY CANCELLATION FEE (applicable to term commitment customers only). Only the value of the economic inducement you were granted will be used to calculate the ECF. Your economic inducement is confirmed in the Order Confirmation delivered to you under separate letter. An ECF applies if you were given an economic inducement, and if, for any reason, your Service or your new term is cancelled before the end of your Service Agreement Term. The ECF is equal to your economic inducement multiplied by the number of months remaining in your Service Agreement Term divided by the total number of months of your Service Agreement Term (plus applicable taxes). 1 Speeds may vary with internet traffic, server gateway/router, computer (quality, location in the home, software and applications installed), home wiring, home network or other factors. See Acceptable Use Policy at rogers.com/terms. An Ethernet/wired connection and at least one additional wired or wireless connection are required to reach maximum download speeds of up to 1 Gbps for Ignite Internet Gigabit. 2 Separate Netflix subscription required. 3 One-time Ignite Home Phone installation fee of \$49.99 will apply if the service is installed separately at a later date. Existing Rogers Home Phone customers who subscribe to a Rogers Ignite bundle must switch to the Ignite Home Phone service (activation optional) and existing home phone service will no longer be available. Certain features not available with Ignite Home Phone service, including TV call display, distinctive ring, battery back-up, auto connect, foreign exchanges and multiple lines. In the event of a power or network outage/disconnection, you will not be able to make any voice call, including Emergency 9-1-1 calls with your Ignite Home Phone service. © 2021
