Description

Large 4 bedroom, 2.5 bath beautiful home in desirable Lake Charleston. Home features include a large kitchen, custom island, brand new stainless steel appliance, no details was spared in the gourmet kitchen. The bedrooms are good sized and the master bathroom has a separate shower and tub. The home is situated on a corner lot which has a private fenced back yard. A 2 car garage adds space, storage and security. The home does have a security system. The owners have purchased a home warranty for the new homeowners. Peace of mind!
