

*This (testing) works well as
we now are required by the
state of Alaska to document
student progress in our
courses, so this will be a
relatively pain free way to do
so in the course.*

Computerized Proctored Testing

What is Rhino Academic Testing ?

Rhino Academic Testing is available through **Academic Rhino Proctors (ARP)**. An **ARP** may offer the test to any K12, post-secondary students within a one year period.

Each student test pack includes the following:

- Computerized tests with immediate scoring.
- Test summary follow-up.
- **Pre-test of Level 1 Exam.** (Take at the beginning of the semester, 40 questions/1 hr.)
- **Level 1 Final Exam** contains three tests: A, B, & C. Each test contains 33 questions per test.
- Level 1 Tests = 3 total hours (3 tests x 1 hr. per test). The test can be offered over three class periods.
- Passing A is required for B. Passing B is required for C.
- Passing C = Rhino Level 1 Certified Academic and student will get personalized certificate.
- Each part A, B, C allows two additional retakes.
- Two retakes are allowed for those with passing grades too. Students can retake for a better score.
- Advanced Level 2 test also included. This test takes 2 hrs.

Rhino Academic Testing

To get started:

1. Fill out the **Academic Rhino Proctor application** and send it to Mary Fugier mary@mcneel.com.
<http://www.rhino3d.com/go/RhinoProctor.pdf>
2. When you are approved, you may purchase the **Authorized Rhino Proctor** membership. Cost **US \$285.00 per year** for up to 30 students **or 300 tests**. (multiple packs available.)
3. Then you will create a login on the testing system. We will give you rights so you can then add students to the system and schedule them to take the test.
4. Join a scheduled summer training session on how to add users, manage account and your testing results.
