

**Drill Calibration for Canola Planting  
Workshop  
Sept 4, 2014  
7:30 a.m.-9:30 a.m.  
Harper County Fair Grounds-North Room**

Join us as industry experts demonstrate how to calibrate your box drill, row crop planter or air seeder for a successful planting season.

This will include power point presentations and hands on demonstrations.

*RSVP's are not required but appreciated* to the Harper County Extension office by email [jl carr@ksu.edu](mailto:jl carr@ksu.edu) or 620-842-5445 (office), 316-323-7330 (Jenni's cell)
