

Farmers and grain elevators are part of the Food Supply Chain.

As such we are also recognized by Homeland Security and Cybersecurity and Infrastructure Security Agency (CISA) as part of the Critical Infrastructure Sectors.

Shideler Grain will continue to provide our customers with the same services you are accustomed to. We will maintain regular hours 8:00 AM to 5:00 PM Monday thru Friday.

There will be some changes in the way we conduct business.

Changes will include, but not be limited to:

- No admittance to the office

- No admittance to the Scale Trailer

- Please untarp the truck in the driveway before pulling on the scales

- Everyone remains in the vehicle until after exiting the outbound scale

- We will verbally report the weight and grades prior to unloading

- At your request you may have a copy of the completed scale ticket
