Dear Patron/Owners:

In an effort to minimize the impact that the Covid-19 virus may have on our Patron/Owners, Employees and Vendors, we are asking for all non-essential visits to our FCE Locations be curtailed until further notice. Our Employee Team will continue to perform all of the services that we provide for you today. We plan to dump grain, load out grain, deliver feed and seed, and allow for the pickup of feed and seed like we have done in the past. These are some examples of essential visits. Please allow for the proper social distancing in your daily lives and when making essential visits to FCE. We will also perform all of the administrative functions such as check writing, invoicing and providing information to you as is currently being done. Please allow us to mail out your checks and information if this is feasible for you.

We realize that this creates a challenging environment for everyone but we must all do our part to minimize the risks to each other. If you have any questions or concerns, please feel free to contact me.

Thank you for doing business with FCE!
